Sponsorship Levels

December 2, 2023

The Keo Collective is an organization formed for the benefit of the City of Keo, its residents and surrounding areas.

Your sponsorship will help provide entertainment & activities, as well as advertising and overhead expenses. We have partnered with "The Christmas Kids" for a local toy drive as well as the EAST program at England High School and Recycle Bikes 4 Kids.

Your business/logo and sponsorship level will be promoted on our social media pages, our website(www.keoar.com) and on a banner displayed at the festival. We appreciate our local and surrounding businesses!
